

Third CRC - DEBITZ (Automatic Debit Plan)

(Direct Electronic Banking In Third Zeeland)

Our gifts to the Lord are an important part of worship. Our modern economy offers us a variety of ways to fulfill our commitments to God's kingdom and to show our gratitude. Third Zeeland is prepared to offer you an automatic debit plan. If you determine that this method of giving allows you to best express your gratitude to the Lord for His immeasurable gift to us, we invite you to participate. If you decide that you wish to use the automatic debit program, please fill in the form below and drop it in the collection plate in a sealed envelope marked direct debit (you may still put your envelope in the offering plate each week – just write “debit plan” on the envelope). By setting up an automatic debit, you can determine the exact amount you will give each week, or month, without having to write individual checks. This is an opportunity for each of us to dedicate ourselves to regular giving in addition to creating a more ‘green’ and convenient method of giving to our Lord.

Tithing – what does it really mean? The Internal Revenue Service allows for it, with a deduction of up to 50% of one's income for charitable giving. In Genesis 28:20-22, Jacob made a vow to the Lord that, out of all of the Lord gave to him, he would give a tenth in return. This was later commanded in Deuteronomy 27:30: “A tithe of everything from the land, whether grain from the soil or fruit from the trees, belongs to the Lord; it is holy to the Lord.” In fact, the Israelites were also commanded to give additional tithes for the Levites and, every three years, for the poor. The New Testament treats tithing not as a demand of the law, but as a response of love and gratitude to God for the gift of salvation through His son Jesus Christ. “Each person should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.” II Corinthians 9:7.
